Solicitor

Brian said, as you know, the Evans Farm JEDD has about \$17,000.00 in it now so according to the rules we do have make distributions at the end of each quarter. Working with Shirley on who eventually gets what money.

I helped Mark work with the City of Delaware on our zoning complaints and processes. I think we have that worked out now and I think we are going to get some traction there now. That's a good thing.

On July 3, Governor DeWine signed H. B. 33, which had a lot of language in there that changed the municipal tax code. Lucky for me I have to make changes for a lot of the municipalities that I represent. Look for legislation soon for that. The language has to be changed because the Revised Code changed.

Village Administrator
